HALAL
ASSEMBLY 2026

AHF
ASEAN HALAL
FORUM 2026

**This December, Bangkok will become
the meeting point for Halal networks
from around the world.**

Bangkok Halal Expo joins forces with Thailand Halal Assembly and the ASEAN Halal Forum 2026, bringing together business, trade, science, industry, and innovation on one international stage — at the Queen Sirikit National Convention Center, presented by the Halal Science Center, Chulalongkorn University, and the International Islamic Chamber of Commerce and Development (ICCD).

An opportunity for manufacturers, brands, and entrepreneurs in Halal products and services to showcase their offerings and capabilities, while connecting with buyers, industry leaders, business people, investors, and representatives from around the world. Join us to get the latest on Halal trade directions, market trends, and key global standards — build networks, expand markets, and extend cooperation from Thailand and ASEAN into the global Halal market, in preparation for new business opportunities in 2027 and beyond.
